- Q.2** Read the passage and answer the questions given below: **(15)**
- Art, like words, is a form of communication. Words spoken and written, render accessible to human of the latest generation all the knowledge discovered by the experience and reflection, both of preceding generation and of the best and foremost minds of their own times.
- Art renders accessible to people of the latest generations all the feeling experienced by their predecessors and those already felt by their best and foremost contemporaries. Just as the evolution of knowledge proceeds by dislodging and replacing that which is mistaken, so too the evolution of the feeling proceeds through art. Feeling less kind and less necessary for the well-being of human kind are replaced by others kinder and more essential to that end. This is the purpose of art and the more art fulfills that purpose, the better the art; the less it fulfills it, the worse the art.
- Questions:**

From the ancient period to present era, the rule of honesty means conduct of life in fair style. The expression "Policy" means rule pertaining to mankind. Similarly, the expression "honesty" does not mean only honest dealing in money transaction or business. It connotes fairness, upright, sincere & faithful. In terms of fullest sense the expression "honesty" is equivalent to truth. It is well said ultimately truth prevails over all. It is desired that everyone ought to adopt & follow the rule rather policy of honesty while living his life & undoubtedly, the beneficial result is not far fetched.

On the other hand the policy of honesty is fritting away & the situation is reached to such an extent that it is seldom followed. Present day time is considered as an era of corruption. Deadly viruŝ of corruption has successfully crept in every walk of human life. It is breeding enormously. The reason for throwing out the policy of honesty are multifasious. Lack of objectives based elementary education, immorality, passion for money, development of animal like qualities in human beings are mainly responsible for, making policy of honesty out-dated we have forgotten that man is the best creation of God because he is bestowed with immense wisdom in comparison with other creatures. For welfare & development of public at large it is necessary to follow the path of truth & nobility in all situation of life in order to make the world a living paradise.

Indian's socialism is, however, democratic socialism and not a communistic socialism. The preamble of the constitution combines both the words, socialism & democracy. This aspect of the constitution has been criticized by many. It has been said the socialism & democracy cannot co-exist. This criticism is not justified because the thinking of modern socialists has been gradually changing. For some of them socialism has a means welfare which would prevent only the excess of exploitation and free competition without destroying the individual initiative and political freedom.
