- Democracy is defined as a form of government in which the citizens of that country have direct power to participate in the election and elect the representatives for forming a government body called a parliament. The power of a democratic form of government cannot be inherited. India's Constitution was adjusted to describe it as a secular state during the 1975 emergency and a later court ruling found that India has been secular since independence. But India is understood to be a deeply religious country, with diverse religions represented in its population.
