Translate the following paragraph into Hindi or Marathi

TV is now extensively used for watching video programs and for playing video games. It is used for showing cable TV programs. It is used by shops and factories and banks for security purposes. At present TV is used in India chiefly as a medium of government propaganda, advertisement and mass entertainment. But if it is used judiciously, it can serve as a powerful means of mass education. It can be used as an effective aid in the fight against social evils like corruption, smoking, alcoholism, drug-addiction, untouchability, dowry, practice of sati, superstition etc. by arousing public opinion against such evils.
