“Balance between one person’s right to freedom of speech and another’s right to protect their good name.”

Any intentional false communication, either written or spoken, that harms a person’s reputation, decrease the respect regard or confidence in which a person is held or induces disparaging hostile or disagreeable opinions or feelings against a person is known as defamation. Defamation is the act of making untrue statements about another which damages his/ her reputation. It is a statement that injures someone’s reputation. Defamation is the act of saying false things in order to make people have a bad opinion of someone. Defamation may be defined as a communication to some person, other than the person defamed, Defamation is wrong done by a person to another’s reputation by words, written or spoken, sign or other visible representation. Defamation is of two kinds libel and slander. If the statement is made in writing and published in some permanent and visible form, then the defamation is called libel. Whereas, if statement is made by some spoken words then the defamation is called slander.
