- Q.6 Read the passage below and answer the questions:- (05)

The press should not be afraid of upholding and supporting a just and righteous cause. It should not be afraid of criticizing the government in a healthy manner. The press should also not be afraid of influential persons. The press has to be eternally vigilant to protect the rights of the workers, backward and suppressed sections of the society. It should also give a balanced view of the things so that people can be helped in the formation of a healthy public opinion. But like other freedoms, the freedom of the press should also not be used as a license. It should not be misused to create a situation of the, "Law of Jungle". Press should observe certain self-imposed limitations on itself. It should not publish any views which might harm the interest of the nation and contribute towards the emotional integration of the country.
